4. Preparation of internal exams question papers by exam cell through selecting questions from list of questions given by the departments.

THE EVALUATION SYSTEM

As per the autonomous system, Govt. College for Women (A), Guntur is adopting the semester system. The academic year is divided into two semesters, each consisting of a minimum of 90 instructional days. The odd semesters are from June to October and the even semesters are from November to March. The instructional methods include conventional lectures, Mana TV lessons,

Virtual classroom lessons, Invited lectures, Seminars, Symposia, Workshops, Field trips and various pedagogical methods of teaching etc. as planned and resolved by the respective departments in BOS meeting.

1. Examination and Evaluation: The College has a system of Continuous Internal Assessment (CIA) and Semester End Examination (SEE). The ratio between CIA and SEE is 30:70 for every course

2. The CIA in Theory consists of tests, assignments and regular attendance during the semesters I to VI. Allotment of marks for each subject in CIA in each semester are distributed as follows:

Mid-Semester Test (Written or Online) :20 marks

Assignments/ paper presentation/Seminars etc: 05 marks

Attendance :05 marks

1. Mid-Semester Tests: Two mid-semester tests are to be held approximately after 30 days of instruction. Among them the average is considered for final evaluation and award of grade.

2. Re-Mid: If a student is absent for both mid semester exams or any one mid semester exam, **Re-mid exam will not be conducted.** However, those students who represent the College in various National, State and University level events and also NCC and NSS activities and fail to appear in the these mid semester exams will be given an opportunity under discretion.

3. Assignments: In general, every student is expected to submit some assignments in each subject in each of the semesters. The choice of the assignment, its nature and the schedules for submission will be decided by the concerned faculty.

4. Attendance: Attendance will be calculated on the basis of percentage of attendance while awarding marks.

Percentage of Attendance	Marks Allotted
60% -75%	3
76% - 89 %	4
90% -100 %	5

Semester – End examinations (SEE) (Regular Examinations):

Regular Semester-End examinations (SEE) for odd semesters (I, III, V) are held in Oct/Nov and for even semesters (II, IV, VI) in **March / April** every academic year.

Eligibility Conditions:-

1. A minimum of 75% of attendance in a semester is mandatory for eligibility to take the Semester-End Examinations.
2. Any student who has between 60% and 75% of attendance in a semester may be permitted to take the semester end examinations on payment of the prescribed condonation fee for attendance.
3. Student having less than 60% attendance in a semester will not be permitted to take the semester end examination. She has to repeat that semester, in the event of which, all her earlier CIA marks shall stand cancelled. However, if any student between 60% and 75 % of attendance in the preceding or subsequent semester of the same academic year, she may be permitted to take those examination's on payment of the prescribed condonation fee for attendance.
4. In semester VI, if a student has between 60% and 75% attendance, she may be permitted to write the examination at the discretion of the Principal, under the following conditions.
 - a. In all previous semesters, her average attendance should be 75% or more
 - b. Her prolonged absence is due to illness or other exigencies of life and she has been regular to classes at other times.
 - c. If her case is recommended for consideration by a committee constituted by the Principal.
5. As each semester is a complete unit by itself, any deficiency in CIA cannot be made up in subsequent semesters. If a student needs to repeat a semester for some reason, all her CIA marks will be cancelled.

Registration for SEE (Semester End Examinations):-

Every eligible student shall register herself for the semester end examinations through an application by paying the prescribed examination fee within the stipulated time as per the Examination Calendar. The college reserves the right of permitting/ rejecting a student for Semester-End examinations on grounds of discipline, attendance, etc.

Important Note:-

1. Question papers for Semester-End examination are prepared according to the latest syllabi and model question papers approved by the Boards of Studies and the Academic Council.
2. Students who repeat a semester will have to take the Semester-End examinations with the syllabus and the model questions papers which are on force at the time.
3. All students have to answer the question papers in the medium as specified in their application for admission in to the course. No change of medium will be permitted thereafter.

PRACTICAL EXAMINATIONS

Practical examination will be held at the end of each Semester for 50 marks. All semester end practical examinations are held once in each semester during October/November for odd semesters and during March/April for even semesters. All eligible candidates should take the examinations only during this period. No separate supplementary examinations are held.

1. Eligibility for Practical Examination:

1. A student should have at least 80% of attendance in laboratory work in a Semester.
2. A student should possess a duly certified record.

2. Registration For Practical Examination

All eligible students have to register themselves for all practical examinations along with theory examinations. No student is allowed to take the practical examinations without registration.

3. Practical Examinations

Separate Practical Examination Schedule will be given by the Examination Cell. External Examiners from other colleges will be appointed by the Examination Cell for each Department as per the requirement. External examiner will be appointed for even semester end examinations only. Odd semester end practical examinations are purely internal and no external examiner will be appointed.

Appointment of observer

For smooth conduct of Semester End Examinations, an External Observer from other college will be appointed. An internal squad team supports the External Observer in preventing malpractices by the students.

Malpractice Cases

If students are caught for malpractice in the examinations, the malpractices committee will enquire the case. The decision of malpractices committee is final and binding.

Results

To pass any course a candidate must secure minimum of 28 marks out of 70 marks in SEE and an aggregate of 40% marks in both CIA and SEE as applicable for all semesters as per UGC norms.

Computation of Grade

Computation of grade will be carried out only at the end of semester VI, when the candidate gets through all the six semesters as per CGPA – 10 point formula. A student is eligible for the award for a grade only when she completes the part-II (Group) subjects within three academic years from the date of admission in to the course.
